Description

Le thème de ce XI^e colloque C.O.R.A.I.L. est la rencontre de l'Autre, des autres, dans l'écriture insulaire. Tenu à Nouméa quinze jours après l'approbation des Accords de Nouméa, il a associé des conférenciers venus d'Australie, de Nouvelle-Zélande, de l'île Maurice, de Tahiti et de France. Les présentations de la vision européenne sont contrebalancées par des considérations sur l'œuvre écrite de J.M. Tjibaou et de Déwé Gorodé.
